

Accommodation

Hotel registration and grading

Registration: All tourist accommodation in Jersey is registered if it accommodates 6 or more paying guests.

Grading is optional: There are two official quality grading bodies for tourist accommodation in Jersey; Quality in Tourism (Jersey Quality Assured scheme) and the AA. Both assess hotels, guest accommodation and self-catering accommodation to the same national standard, awarding 1 to 5 stars reflecting the overall quality of the experience.

To find accommodation in an area of your choice; www.jersey.com/stay

Key to Location Symbols

-  Coastal location
-  Countryside location
