Conference

Only a short walk from the Marina, Tiffin, The Grand Hotel & Spa and the Radisson Blu all provide a hypnotic backdrop for your event. Catering for all styles of event, with outdoor and indoor options, these venue partners will work with you to bring your event to life, with bespoke menus from canapés to seated dining for all budgets.

With participants expecting more from a conference venue, why not hold your event at a vineyard in Jersey's leafy green countryside, La Mare, or in one of the island's most iconic coastal buildings, the Victorian Lido at Havre Des Pas. The venue sits out on its own man-made island, connected to the shore by a wooden board walk.

Looking beyond traditional plenary sessions and panels, host creative, energised workshops that foster out-of-the-box thinking among attendees. From walks out to the oyster beds at low tide, to an exhilarating RIB trip to the other worldly islands of Les Ecrehous, foodie walking tours savouring an authentic taste of island life, or meeting the keepers at the world-famous Jersey Zoo. It's all about seeing things from a new perspective.

Evening

Standing majestically over the fishing village of Gorey, Mont Orgueil Castle provides a dramatic backdrop to any event. Built in the 13th century, this jewel in Jersey's crown is one of the best preserved castles in the British Isles. Standing high up in the heart of the building, the hall is the oldest part of the medieval castle and is believed to have been the site of grand celebrations and ceremonies.

With a beaten earth floor, vaulted roof and arched windows looking down to the sea and across to the coast of France, it offers an impressive location for dinners, drinks parties and presentations for up to 200 people. Take in breath-taking views of the French coast as you delve into the network of staircases, towers and secret rooms to discover hidden treasures.

Why not consider an oyster shucking bar, providing an amazing visual as well as tasting experience for your delegates? Seafood tastes better when you can see the sea!
