Uncover Jersey's history

Jersey is a small island with a big story, one which the Jersey Uncovered team are eager to tell. The venture is the brainchild of six professional guides, who have all achieved the nationally recognised symbol of guiding excellence, the Blue Badge.

From general to bespoke tours and experiences highlighting the island's unique and hidden gems; whether on foot, by coach or by car. The Jersey Uncovered team will shape an itinerary to meet your delegates' needs. Discover why Jersey isn't part of the UK, how old canon barrels can be put to use around the harbour and who hangs around the Royal Square on two left feet.

Each guide has their own specialty, from exploring Jersey's rich heritage, legends and birdlife, to its maritime history, geology and food. The team promises, 'Go on your own, you'll see. Come with us, you'll understand'. Your delegates will leave with rich memories of the island.

Rewild yourself

Jersey Zoo offers a full range of opportunities for your delegates to engage with their incredible work in Jersey. Aligning your business with a charitable cause is one of the most effective ways to increase positive perception of your organisation.

Maintaining Durrell's zoological park in Jersey is a year-round job, with dozens of important tasks that don't require specialist skills but do need time, effort, energy and teamwork.

These tasks reward volunteers with the satisfaction and pride of seeing an area transformed by a team's hard work. The work may be messy and dirty, but the sense of achievement from completing tasks that are completely removed from a group's usual line of work cannot be underestimated. Larger groups can be split into smaller work parties to carry out several tasks simultaneously.

Working with Jersey Zoo, you will align your business with a highly regarded global brand, at the forefront of worldwide conservation.

Tunnel through time

You don't have to scratch too far beneath the surface to experience Jersey's rich and multi-layered history. Jersey was occupied by the Germans for five years during the Second World War.

Tunnel through time and experience a real-life adventure game with mysterious puzzles and brain-teasing clues! At the Jersey War Tunnels' Escape Rooms, find clues, break codes, solve puzzles and find the key to your freedom. Using your powers of observation and problem-solving, your team will have to work together to escape.

Your delegates need skills in analysis, communication, organisation, critical thinking, logic and creativity, all executed in a high-pressure environment. It will challenge their strength as a team; everyone must cooperate in order to succeed. Who will have the kudos of being the fastest to make it out?
